

Read Web feed App Privacy Policy
Last updated [July 29, 2021]

We respect the privacy of my users (“user” or “you”). This Privacy Policy explains how we collect, use, disclose, and safeguard your information when you use the Read Web feed app. Please read this Privacy Policy carefully. IF YOU DO NOT AGREE WITH THE TERMS OF THIS PRIVACY POLICY, PLEASE DO NOT ACCESS THE APPLICATION.

We reserve the right to make changes to this Privacy Policy at any time and for any reason. We will alert you about any changes by updating the “Last updated” date of this Privacy Policy. You are encouraged to periodically review this Privacy Policy to stay informed of updates. You will be deemed to have been made aware of, will be subject to, and will be deemed to have accepted the changes in any revised Privacy Policy by your continued use of the Application after the date such revised Privacy Policy is posted.

This Privacy Policy does not apply to the store from which you make payments or have installed the app, including in app items, which may also collect and use data about you. We are not responsible for any of the data collected by any such e-commerce solution provider.

COLLECTION OF YOUR INFORMATION

We may collect information about you in a variety of ways. The information we may collect via the application depends on you obtained and use the app, and includes:

Personal Data

Demographic and other personally identifiable information (such as your name and email address) when you voluntarily give to us by choosing to participate in various activities related to the app, such as chat, posting messages in comment sections or in forums, liking posts, sending feedback, and responding to surveys. If you choose to share data about yourself via your email and such communication account(s), online chats, or other interactions related with app acquisition, please be advised that all data you disclose in these areas is public and your data will be accessible to anyone who accesses the same mailing lists and so forth.

Derivative Data

Information our servers automatically collect when you access the Application, such as in app purchase for ensuring smooth experience during your continued further usage of the app.

Financial Data

Financial information, such as data related to your payment method (e.g. valid credit card number, card brand, expiration date) that we may collect as and when required by your choice of payment processor to address and resolve fulfillment of transactions if ever applicable. We store only very limited, if any, financial information that we collect. Otherwise, all financial information is stored by your payment processor, and you are encouraged to review their privacy policy and contact them directly for responses to your questions.

Data from Social Networks

User information from social networking sites, including your name, your social network username, location, gender, birth date, email address, profile picture, and public data for contacts, if you connect w. r. t. the app on such social networks. This information may also include the contact information of anyone you invite to use and/or join the Application.

Geo-Location Information

The store services acquisition, usage, analytics, health reports aggregate data for region and SKU.

Device Data

Crash analytics might reveals hints disclosing device information such as your device ID number, model, and manufacturer, version of your operating system, phone number, country, location, and any other data you choose to provide.

Push Notifications

We may implement and then request to send you push notifications regarding your account or the app, although it is minimalistic at present. If you wish to opt-out from receiving these types of communications, you may turn them off in your device's settings.

Third-Party Data

Information from third parties, such as personal information or network friends, if you connect regarding the app through third party media services such as YCombinator or Reddit.

Data From Contests, Giveaways, and Surveys

Personal and other information you may provide when entering contests or giveaways and/or responding to surveys if and when we happen to conduct them.

USE OF YOUR INFORMATION

Having accurate information about you permits us to provide you with a smooth, efficient, and customized experience. Specifically, we may use information collected about you via the Application to:

- Administer sweepstakes, promotions, and contests.
- Assist law enforcement and respond to subpoena.
- Compile anonymous statistical data and analysis for use internally or with third parties.
- Deliver targeted advertising, coupons, newsletters, and other information regarding promotions and the app to you if implemented in a future version.
- Email you regarding your account or order.
- Enable user-to-user communications.
- Fulfill and manage purchases, orders, payments, and other transactions related to the app.
- Increase the efficiency and operation of the app.
- Monitor and analyze usage and trends to improve your experience with the Application.
- Notify you of updates to the Application.
- Offer new products, services, mobile apps, and/or recommendations to you.
- Perform other business activities as needed.
- Prevent fraudulent transactions, monitor against theft, and protect against criminal activity.
- Process our part of transactions.
- Request feedback and contact you about your use of the app.
- Resolve disputes and troubleshoot problems.
- Respond to product and customer service requests.
- Solicit support for the Application.

DISCLOSURE OF YOUR INFORMATION

We may share information we have collected about you in certain situations. Your information may be disclosed as follows:

By Law or to Protect Rights

If we believe the release of information about you is necessary to respond to legal process, to investigate or remedy potential violations of our policies, or to protect the rights, property, and safety of others, we may share your information as permitted or required by any applicable law, rule, or regulation. This includes exchanging information with other entities for fraud protection and credit risk reduction.

Third-Party Service Providers

We may share your information with third parties that perform services for us or on our behalf, including payment processing, data analysis, email delivery, hosting services, customer service, and marketing assistance.

Marketing Communications

With your consent, or with an opportunity for you to withdraw consent, we may share your information with third parties for marketing purposes, as permitted by law.

Interactions with Other Users

If you interact with other users of the app, those users may see your name, profile photo, and descriptions of your activity, including sending invitations to other users, chatting with other users, liking posts, following blogs.

Online Postings

When you post comments, contributions or other content regarding the app, your posts may be viewed by all users and may be publicly distributed outside the app in perpetuity

Affiliates

We may share your information with our affiliates. Affiliates at present includes only the store from which you obtain the app, in which case they honor their own Privacy Policy.

Business Partners

We may share your information with our future business partners to offer you certain products, services or promotions should we happen to expand.

Social Media Contacts

If you connect regarding the app through a social network, your contacts on the social network will see your name, profile photo, and descriptions of your activity.

Other Third Parties

We may share your information with advertisers and investors for the purpose of conducting general business analysis. We may also share your information with such third parties for marketing purposes, as permitted by law.

Sale or Bankruptcy

If we reorganize or sell all or a portion of our assets, undergo a merger, or are acquired by another entity, we may transfer your information to the successor entity. If we go out of business or enter bankruptcy, your information would be an asset transferred or acquired by a third party. You acknowledge that such transfers may occur and that the transferee may decline honor commitments we made in this Privacy Policy.

We are not responsible for the actions of third parties with whom you share personal or sensitive data, and we have no authority to manage or control third-party solicitations. If you no longer wish to receive correspondence, emails or other communications from third parties, you are responsible for contacting the third party directly.

TRACKING TECHNOLOGIES

Cookies and Web Beacons

You should be aware that getting a new computer, installing a new browser, upgrading an existing browser, or erasing or otherwise altering your browser's cookies files may also clear certain opt-out cookies, plug-ins, or settings.

THIRD-PARTY WEBSITES

The app may expose you to links to third-party websites and applications of interest, including advertisements and external services, that are not affiliated with us, based on your subscription to their blogs. Once you have used these links, any information you provide to these third parties is not covered by this Privacy Policy, and we cannot guarantee the safety and privacy of your information. Before visiting and providing any information to any third-party websites, you should inform yourself of the privacy policies and practices (if any) of the third party responsible for that website, and should take those steps necessary to, in your discretion, protect the privacy of your information. We are not responsible for the content or privacy and security practices and policies of any third parties, including other sites, services or applications that may be linked to or from the Application.

SECURITY OF YOUR INFORMATION

We use administrative, technical, and physical security measures to help protect your personal information. While we have taken reasonable steps to secure the personal information you provide to us, please be aware that despite our efforts, no security measures are perfect or impenetrable, and no method of data transmission can be guaranteed against any interception or other type of misuse. Any information disclosed online is vulnerable to interception and misuse by unauthorized parties. Therefore, we cannot guarantee complete security if you provide personal information.

POLICY FOR CHILDREN

We do not knowingly solicit information from or market to children under the age of 13. If you become aware of any data we have collected from children under age 13, please contact us using OS's feedback app.

CONTROLS FOR DO-NOT-TRACK FEATURES

Most web browsers and some mobile operating systems include a Do-Not-Track ("DNT") feature or setting you can activate to signal your privacy preference not to have data about your online browsing activities monitored and collected. No uniform technology standard for recognizing and implementing DNT signals has been finalized. If a standard for online tracking is adopted that we must follow in the future, we will inform you about that practice in a revised version of this Privacy Policy.

OPTIONS REGARDING YOUR INFORMATION

Account Information

For user account management w. r. t. the app, the stores services suffice so we arn't doing any duplicate effort presently. So the relation with the app may be entirely managed through the store.

Emails and Communications

If you no longer wish to receive correspondence, emails, or other communications from us, you may opt-out, but as yet we havn't implemented any such action at present and need to follow up further to figure out how our negligence is causing such botheration to you.

CONTACT US

If you have questions or comments about this Privacy Policy, please contact us through the Feedback app for privacy or Store reviews publicly.
